

Dear Friends,

The fight for the heart of God's people continues. I want to share with you an awesome ministry opportunity that God has opened up in which you can participate.

During the last week of May 2013, God has offered me the chance to go to Congo with a small team of 5 people organized by Julie M. The purpose and vision of this 14-day mission trip will be to reveal the love of God in power to the abandoned children of the Congo and their estranged parents. This mission trip is the heart and vision of the Father God to see his Congolese children reached by his love and truth. The Father has placed it on the heart of Julie, and the ministry board, to help his children and to provide food, clothing, education, and love. Father God and Julie's heart is to restore and heal the brokenness that resulted from the wars, abandonment, abuses, etc.

I want to invite you to be a part of this move of God in the lives of the Congolese children by assisting in the funding of the trip. If you are unable to give, we welcome your prayers that God will prepare us for our visit and bless His children as we minister to the people of Congo. In financially supporting this vision and trip you will be giving into eternity by changing lives for the gospel of Jesus.

The trip will include 4 days of travel and 10 days of ministry. A short while ago we had received word that the area was at war once again, but we prayed knowing that our Father wanted peace to be restored rapidly, and God has heard our prayers. As of December 1st the rebels have left Goma and we are praising God. We expect the peace to be maintained, however if war resumes by our intended travel dates, we will need to delay our travel there, but only until peace is restored. In that case, all funds contributed will be held by Redeeming Love until the trip is made.

We each need to raise \$ 3,100 by March 15th to cover our airfare, living accommodations and other expenses during our ministry there. Our hope is that you will either contribute through prayer and/or through financial support as a partner toward the hearts of the children and adults that will be changed as they learn of the Father's love. Please know how very much we appreciate you. God Bless you! And our heartfelt thanks are sent to you.

You can send in a donation in any amount to:

Joy to the World Foundation
4570 Hilton Pkwy, Ste 203,
Colorado Springs, CO 80949

Please include my name as the person you are donating to and note that it is for the Redeeming Love mission trip. Again we thank you!

Sincerely,
