

# REDEEMING LOVE

MINISTRIES

OUR VISION IS TO SEE  
EVERY CONGOLESE CHILD  
BLOOM IN SPIRIT, SOUL  
AND BODY

YOU CAN GIVE A CHILD A GIFT OF  
SOLAR LAMPS, TO ENABLE THEM  
TO READ AND STUDY AT NIGHT  
AND FURTHER THEIR EDUCATION .

## Merry Christmas and Happy New Year!!

It has been an amazing year! We, here at RLM would like to thank you for being a part of this journey with us.

Here are some updates:

As you all know we started the small garden in Luwinja in 2013. In the first year we had a huge crop and were able to send vegetables home with all our students and teachers. Recently, we asked the caretakers of the students to start planting a garden at their own homes. Their crops have been very successful and even neighbors have started planting gardens of their own!

Due to the success of the gardens, we decided expand to pigs this year. We began with four piglets, three have already given birth to 16 piglets and the fourth pig is expecting. A student that gets a piglet must first provide a proper place and build a pen for their piglet, they must also later give back some piglets back to the program as a form of payment for their original piglet. The pigs are a part of our desire to help the students learn how to provide food for themselves as well as producing a income by being able to eventually sell piglets. We hope that as they see result this will take off and show the community how to be more self sufficient and productive.

# The Working Power of God

On the June mission's trip to Luwinja we went with so many gifts that were donated. Some of these gifts were solar lights, clothes for both the children and the foster mothers and shoes. Thank you so much to those of you who contributed. On this trip we were also able to show The Jesus Movie multiple times with a portable projector. Although many people carry their Bibles to church, most are unable to read it. It was so amazing to watch their faces as they cried while watching the movie and many wanted to see it over again.

We began this year with 70 children being supported by Redeeming Love, and thanks to your donations, we were able to increase that number to 100 children ! It has been so encouraging for us as well as the children to see this ministry grow!

In 2015 RLM received it's 501-C-3 certification from the IRS! You will be hearing more about this and how will be being taking this organization to a new level soon Finally, The children, as a result of their spiritual training initiated their a children choir in a local church. We are so delighted to see their personal desires blossom.

## Your Donations are a blessing !

Your donations do so much ! They pay for tuition, uniforms and school supplies for orphans to attend school. Your donations also pay for weekly medical checks and any needed medical treatment for the children. They also pay for supplemental food and materials ( sugar, beans, rice, salt, oil and soap) to support the households with the orphans and make sure they are not a burden to the fostering families. Your donations also support the spiritual education of the children from local pastors and church. Finally, your donations let the children know that they are loved. Thank you so much for bringing hope to this community !
